## DEWEY'S PIZZA

Food	Decor	Service	Cost

*Review Highlights* - "Prepare to be wowed" by the "wonderful" pies at this "bustling" local mini-chain where a "large variety of toppings" ("from traditional pepperoni" to "exotic" goat cheese) makes for "imaginative, tasty combinations"; given "tantalizing salads", "friendly, efficient service" and "a beer and wine menu to boot", these parlors seem "perfect in every way". . . . P.S. "kids will be enthralled watching them make the pizza."
